What is Flying Wish Paper™?

A whole new way to have fun and send a greeting.

Write your message(wish) on our paper, roll it up into a magical ball the size of a small marble.

Then take the launching Wish Platform™ and place it on a flat surface.

Take the message (ball) and now unroll it and form into a paper tube.

Take the paper tube and place it on the Wish Platform™ card standing up (vertical) on top of circle guide mark on the Wish Platform™.

Light the edge of the tube with a match and watch the paper and your wish being consumed in a beautiful blue flame. At the last moment, watch as your wish magically lifts off the Wish Platform™ and rises to the heavens!

Our Flying Wish Paper™ invitations - is a smaller version designed so that it can be customized for events or corporate clients by adding a custom label to the front of the package.

Flying Wish Paper™ invitations are perfect for corporate events, fundraising tie-ins, thank you, weddings, birthdays, memorials, and or anywhere a gift donation thank you is required.

Additional custom options such as matches, pencils, enclosures, labels/seals available upon request - subject to certain minimums.
